They have hosted 11 exchange students from other countries over the past 12 years. Ryan has worked Ag retail in the county since 1997 and is currently with Keystone Cooperative.

## FROM THE MEMBER

**Member of Marshall County REMC: 22 years**

### Why do you serve on the REMC Board of Directors?

I enjoy serving our community and especially the rural aspect and the overall cooperative structure. When I started as a director, I truly wanted to learn from the many experienced directors and learn more about Marshall County REMC. I have been blessed to learn from directors with many years of experience and foresight. I hope to be a mentor in the future when the time comes.

### What do you see as the most important responsibilities of the Board of Directors?

Guidance to the CEO, working with and approving the budget and major input into the strategic planning process and a resource for the REMC members to their coop.
